### **Resident Hound Training License (RHTL)**

2003 Legislation created a 'resident hound training license' (RHTL)

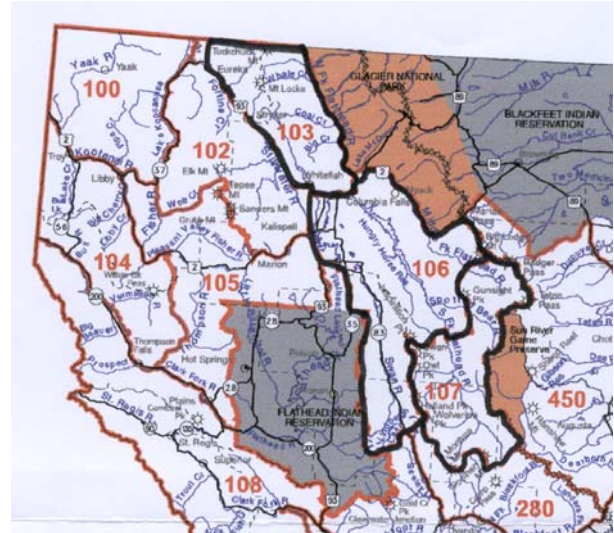

- A person may purchase only one RHTL.
- A valid conservation license is required.
- A person may not kill a mountain lion with a RHTL.
- A person must be a Montana resident and 12 years old, or who will turn 12 years old before or during the training season.
- The cost of the RHTL is \$5.
- The RHTL is available at all FWP offices and all FWP license providers.
- The RHTL is available for purchase through April 14, 2008.

### **Hunting Access Enhancement Fee**

- The Montana Legislature created this fee to help maintain and enhance hunting access to public and private lands statewide through programs like Block Management and other public hunting access projects.
- This is an annual \$2 fee for residents and will be charged at the time the hunter purchases his/her **first** hunting license (including upland and migratory bird) of the season.

### **Black Bear**

- **DEADLINE** to purchase license:  
**Spring Season:** April 14.  
**Fall Season:** August 31.
- A validated license is required for Spring Black Bear hunters in Bear Management Units (BMUs) 103, 106 & 107. These districts are located in northwestern Montana immediately east and south of Glacier National Park. Validating your license will restrict your Spring Black Bear hunting to only those BMU units. During the Fall season, you may hunt in any BMU.

- You may hold only one black bear license per license year, but the license may be used in either Spring or Fall.
- **If you previously passed the Bear ID test and purchased a black bear license, you do not need to submit a copy of your bear certificate.**
- Hunters must take and pass a black bear identification test before purchasing a 2006 black bear hunting license. There are two ways to take the test and receive your certification.
  - ONLINE at FWP's website at [www.fwp.mt.gov/bearid](http://www.fwp.mt.gov/bearid) OR
  - MAIL IN – Request a test by calling 406-444-2535.
- License providers will not process the test or return them to FWP.
